TYPBC Outdoor Boat Storage Rules and Terms 2021-2022

The TYPBC outdoor storage areas will be governed by the Outdoor Storage Committee using the following rules and guidelines:

Allocation

1. Applications for an outdoor storage space will be sent to all members who currently have their boat stored in the TYPBC Outdoor storage area.
2. Applications will also be available at the TYPBC office for any member who wishes to apply for a new space.
3. The boat parks are provided for the benefit of club members only and to encourage active sailing and club participation. The boat owner must hold a full senior membership (or equivalent) with the TYPBC. The boat must be used over the season and must participate in a minimum of twelve (12) being 25% of the planned Club Calendar events.
4. Applications are to be completed and returned to the TYPBC office by 5pm on the **10 September 2021**.
5. At the next meeting of the TYPBC Outdoor Storage Committee, the applications will be reviewed by the committee and spaces will be allocated.
6. The Outdoor Storage Committee reserves the right to reject the application of a current storage space user if they feel the boat owner is not adhering to the aforementioned guidelines in any way.
7. Successful applicants will be notified no later than **25th September 2021** by email or phone. The office will send out an invoice for **\$250** incl GST for the annual storage fee.
8. Unsuccessful applicants will be notified no later than the **25th September 2021**. Those who currently have their boat in a park will be required to move it before **3rd October 2021**. Any boats not removed by this date will be removed from the outdoor parking area at the owner's expense.
9. Any decision of the Outdoor Storage Committee on storage space allocation is final.

Terms of use:

1. Boat owners agree to provide their own tie downs as unsecured boats present a health and safety risk.
2. The parking space must not unduly impede other club members or the public.
3. All boats are stored at the owner's own risk, third party insurance is compulsory. Boats using our outdoor parking areas are required to have third party insurance of \$5 million. Copies of insurance cover are to be provided annually to TYPBC at the time of application and with the annual insurance renewal
4. Boats may need to be shifted periodically for yacht club activities. While care will be taken, no responsibility will be accepted by TYPBC or its members for any damage incurred during this process. If a boat is moved by a member other than the owner, the member is expected to notify the owner as soon as possible to give the owner the opportunity to satisfy themselves that it is secure.

5. The Boat owner must keep the grass area under and around their boat neat and free of rubbish and well mown. Other club members may elect to mow the grass on the space, and the boat owner hereby consents to the boat being moved for that purpose. Hard-parking areas are to be kept neat and tidy at all times.
6. This contract may be terminated at any time with 1 months' notice from the TYPBC and any refund for the balance of the term will be repaid to the boat owner.
7. If a boat owner does not respond to communication re storage renewal this will be minuted at an Outdoor Storage Committee meeting. Significant effort will be made to contact the last known owner of the boat but if all attempts fail TYPBC will reserve the right to sell the boat or remove it from the club property.
8. It is the owner's responsibility to advise of any changes to contact details or ownership of the boat.
9. Tags will be issued for each successful and fully paid parking applicant. These are required to be attached to the trailer handle or beach trolley axle. These tags will serve two purposes: to identify all boats stored in TYPBC Outdoor Parking areas and for safety when boats on the water.
